

## Preparing for CQC Assurance: Regional Webinars

### What are the webinars for?

WM ADASS is hosting a series of free online webinars as 'deep dives' into key areas councils have identified that would help them with their preparations for CQC assurance.

### Who are they for?

Different audiences may be required depending on the theme. We ask that councils include the schedule within their internal newsletters so that the information is shared and colleagues can determine who is best placed. Some may be relevant to teams that don't sit in adult social care. There is no limit on the number of delegates per organisation.

### When are they taking place?

Webinars will be hosted on MS Teams and will be short, concise and 1-hour in length. The dates and details are below.

### What will I get out of it?

- Hear from experts
- Get practical advice, guidance and lessons learned
- Have your questions answered
- Prepare to be challenged

### How do I register?

[Click on this hyperlink to register for the webinars below:](#)

13/4/2023	#1: Embedding evidence in strategy and practice - NICE guidance and CQC readiness
